REFERENCE: Memorandum from Comptroller, OSA to Chief,
Contracts Management Division, OSA, dated

1. Pursuant to the requests contained in reference, all OXCART and IDEALIST contracts issued in FY-66 and prior years have been reviewed as to status of funds. Results of this review are set forth in attachment hereto.

2. The results reflect current status and development from information within this office and POD/OSA. The amounts shown cannot be considered final amounts as the majority of the contracts involved are subject to audit and negotiation of contractors final claims. It is anticipated, however, that within the next quarter any variations will be minor.
